Influential Conservative Women’s Group Endorses Claire Chase for Congress

ROSWELL, NM – Today the Claire Chase for Congress campaign is pleased to announce the endorsement of VIEW PAC, the Value in Electing Women Political Action Committee.

VIEW PAC Executive Director Julie Conway said, “VIEW PAC was founded to support strong conservative women like Claire Chase. Claire is a political outsider and a successful businesswoman. She represents the future of the conservative movement and will make a tremendous representative for New Mexico’s Second Congressional District.”

Claire Chase said, “I am incredibly grateful to have VIEW PAC’s endorsement as we continue our fight to turn New Mexico red. Conservatives from across the country are rallying around our campaign because they recognize that we are the only campaign that is capable of taking back this seat in November and firing Nancy Pelosi once and for all.”

VIEW PAC is exclusively dedicated to protecting and increasing the number of Republican women in the U.S. House and U.S. Senate. Its singular goal is to strategically provide financial support where and when it is needed most; whether it be for a vulnerable incumbent or a competitive candidate. Since VIEW PAC started over 20 years ago, it has directly contributed and helped to raise over \$8,500,000 for Republican women running for Congress.
