

Webinar: Economic Recovery for Child Care Facilities Tuesday, May 12 at 8:00 a.m.

New Mexico Early Childhood Education and Care Department (ECECD) announced that it will make nearly \$12 million in grants to assist licensed child care providers who have been impacted by the health emergency.

Early Childhood

Education & Care Department

ECECD is partnering with EDD to administer these grants in collaboration with other possible small business assistance funding, so that providers can access multiple funding opportunities in a streamlined fashion.

The CARES Act provides \$3.5 billion to the Child Care and Development Block Grant (CCDBG) in grants to states for immediate assistance to child care providers; New Mexico received approximately \$29.4 million.

Join us on May 12 for a discussion about this funding opportunity. Representatives will discuss eligibility and the application process. Participants will be able to ask questions throughout the presentation.

If you are unable to join, a recording of the presentation and slides will be available on the [EDD website](#). All registered participants will also receive these links by email.
