

DEMOCRATIC NATIONAL CONVENTION JUST A LEFTIST LOVEFEST WITH NOTHING TO OFFER AMERICA

ALBUQUERQUE, AUGUST 21 — The following is a statement from Republican Party of New Mexico Chairman Steve Pearce regarding the recent Democratic National Convention:

"The Democratic National Convention was nothing but a leftist lovefest that offered no policy agenda, no direction and no solutions. It was an open display of misery. This, as the Democratic ticket of Joe Biden and Kamala Harris becomes a true threat to our American way of life. Their radical ideology will tax us into bankruptcy, lead to government takeover of healthcare and push for late-term abortion proposals, sending our great nation into decay. Americans cannot tolerate this dangerous socialist platform, one that will strip us of our freedoms and rights. This ticket has no real plan, no focus, and spent its Convention time whining and unjustly attacking the Trump Administration. While the Democrats offer no solid answers, President Trump continues to revitalize our economy, create more jobs, make our military stronger and ensure that America remains strong on the world stage."
