Mark Ronchetti Announces County Chairs from all 33 Counties

8 Democrats and 7 Sheriffs Headline Impressive Group of New Mexico Leaders

Albuquerque, NM – Today, Mark Ronchetti announced a County Chair for every county in New Mexico. The impressive group of New Mexico leaders include 8 Democrats, 7 currently elected Sheriffs, 4 State Representatives, and multiple ranchers, current and former County Commissioners, business owners, and a former Congressman.

“I am honored to have leaders from all 33 Counties willing to serve in leadership roles on my campaign,” said Mark Ronchetti. “Our campaign is built on New Mexico values that do not see partisan lines. To have New Mexico leaders, including 8 Democrats, speaks to the non-partisan appeal of our campaign. Every county in New Mexico counts, and our County Chairs are the face of our campaign in each county. I will always seek to serve all the people of New Mexico, and will always put them before petty politics in D.C.”

Ronchetti’s campaign highlighted the broad appeal of the campaign’s messaging and surrogates.

“Elected Democratic officials decided to support Mark Ronchetti over Ben Ray Lujan because they know better than anyone Ben Ray has sold out New Mexico to the far-left in D.C.,” said Ronchetti’s Campaign Manager Jeff Glassburner. “Ben Ray has spent his whole career only worrying about the opinion of the far-left liberals in Santa Fe, San Francisco, and D.C., and that won’t change if he’s elected as one of Schumer’s soldiers in the Senate.”

The Ronchetti campaign collected videos from several of its County Chairs sharing why they

decided to support Mark. The campaign will share these on social media over the course of the coming weeks.
