## **Lujan Plays Politics with COVID-19 in New Ad**

*Lujan Continues His Disingenuous Ad Campaign*

**Albuquerque, NM** – Today, Lujan continued his dishonest track record of misleading the people of New Mexico. His new ad levels disingenuous attacks at Mark Ronchetti, surrounding the COVID crisis. Lujan has continually played politics with COVID-19 relief, while New Mexican workers are struggling, and he has failed to push back on the role that China played.

“Ben Ray Lujan has spent a career in Congress coddling China. And now, he apparently believes China shouldn’t be held accountable for its role in spreading the Coronavirus. He’s wrong,” said Mark Ronchetti. “Lujan has put partisan politics ahead of science since this pandemic began, working with Nancy Pelosi to exploit the crisis to pass a long list of radical proposals, including letting violent criminals out of prison early as part of a crazy notion of ‘COVID relief.’ He’s wrong on that, too, and I won’t apologize for calling him out when he puts a partisan agenda ahead of doing what’s right for New Mexico.”
