Cabinet Secretary

## *Traffic Report for week of November 18<sup>th</sup> to 25<sup>th</sup>, 2018*

*In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area.*

### **White Sands Missile Range Notification**

**For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.**

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

### **Interstates:**

#### **I-25, Mile Marker 154 to 157.839, Lemitar** CN 1100660

Mountain States Constructors, Inc. (Contractor) is continuing with bridge replacement and roadway reconstruction on Interstate 25 in Socorro Co. Traffic will be rerouted onto both northbound and southbound lanes for the finalization of this project. A 12' width restriction will be in effect throughout the project. Construction will be Monday through Friday from 6:30 am to 6:00 pm. Construction is expected to be completed by winter 2018.

#### **I-10, Mile Marker 133 to 164, Las Cruces to Texas State Line**

Valley Fence (Contractor) will be performing guardrail replacement along Interstate 10 in Dona Ana Co. starting at milepost 133 headed east to Texas State line. Traffic will encounter lane closures including overnight closures intermittently with eastbound and westbound exits closed off to all traffic as needed as well as reduced interstate speeds limits.

I-10 eastbound right lanes will be closed from MP 140.6 to MP 144.6 starting Monday (11/18/18) from 6:30 AM to 5:30 PM, Sunday through Wednesday. The on and off ramps within this work zone will remain open. I-10 Westbound Right Lane will be closed from MP 144.6 to MP 140.6 starting on 11/20/18 to 11/21/18. Guardrail Installation will resume on 11/26/18 after the Thanksgiving weekend.

#### **I-10, Mile Marker 2.5 to 22, Lordsburg**

MWI, Inc. (Contractor) Construction is currently suspended for the Intelligent Transportation System (ITS).

#### **I-10, Mile Marker 85.5, Deming**

The New Mexico Department of Transportation will have intermittent personnel and equipment on the roadway for bridge deck repairs. Traffic will encounter lane closures on both eastbound and westbound lanes. Speed limits will be reduced to 55 mph, closures and traffic control shall remain in place 24 hours a day 7 days a week. Construction hours will be Monday through Thursday from 7:00 am to 5:30 pm and is expected to be completed by November 2018.

### **US Roadways:**

#### **US 380, Mile Marker 0 to 40, San Antonio**

Highway Supply (Contractor) will continue with replacement of small signage along US 380 in Socorro County. Traffic will encounter intermittent lane drops for shoulder work. Construction will begin at mile marker 40 working west towards San Antonio. Hours of operation will be Monday through Friday from 7:00 am to 5:00 pm.

### **US 60, Mile Marker 103 to 117, Magdalena**

Cutler Repaving (Contractor) has completed roadwork for the winter months. Completion will begin next spring.

## **State Roadways:**

### **NM 192 mile post 2.1, Mesquite NM**

The New Mexico Department of Transportation will have intermittent personnel and equipment on the roadway for cattle guard removal starting Wednesday November 14<sup>th</sup>. Traffic will encounter lane closures with a flagging operation. Construction hours will be Wednesday through Friday from 8:00 am to 3:00 pm and is expected to be completed by November 2018.

### **NM 404 "E OHara Rd", Mile Marker 0 to 1, Anthony**

FNF Construction, INC. (Contractor) has begun the installation of a shared use path and lighting along NM 404 "E OHara Rd" in Anthony, New Mexico. Traffic may encounter lane drops and flagging operations. Speed limits will be reduced at times. Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday to Friday.

### **NM 90, Mile Marker 0 to 22.6, Lordsburg to Silver City**

Brasier Asphalt (Contractor) has completed roadwork, striping to take place in the next few weeks.

### **NM 188 Valley Drive/ NM 28 Avenida de Mesilla, Las Cruces**

AUI, Inc. (Contractor) is currently performing roadway reconstruction, utility replacements and lighting/signalization improvements on Valley Drive. Currently the active zone of construction is on Valley Drive from Picacho to Amador. Traffic is pushed into the northbound lanes as the southbound lanes are closed for construction. Traffic is no longer be able to cross Valley drive using Hadley. Hadley must be closed to allow the installation of underground utilities. Amador is reduced to one lane in each direction and all traffic has been pushed to the Southside of the roadway. Starting 11/19/18 all traffic will be placed on the Westbound lanes on Avenida de Mesilla to allow complete reconstruction on eastbound lanes. Construction will be from 7:00 am to 5:00 pm, 5 days a week.

### **NM 15 "Pinos Altos", Mile Marker 0 to 1.21, Silver City** [CN1100810](#)

TLC Construction (Contractor) will be reconstructing the roadway, installing curb and gutter, sidewalk and bike lanes. NM 15 from HWY 180 to the 32<sup>nd</sup> street interchange will have one-way traffic only. Pine Street and Bosworth will be closed to through traffic at Pine/PA Road intersection while the contractor is reconstructing the roadway. Detours will be in place and traffic is asked to reduce speed and use caution and seek an alternate route if possible. Contractor's hours of operation will be from 7:00 a.m. to 5:00 p.m. Monday through Friday; closures and traffic control shall remain in place 24 hours a day 7 days a week. Construction is scheduled to be completed by spring of 2019.

### **NM 136 "Pete V Domenici Hwy", Mile Marker 0.448 to 9.168, Santa Teresa** [E100081.82.83](#)

FNF Construction, INC. (Contractor) continues with roadway reconstruction, roadway rehabilitation, bridge rehabilitation, signalization & lighting along NM 136, Pete V Domenici Intl. Hwy. Traffic will encounter lane closures as well as detours with an 11' width restriction in effect throughout the project, traffic will be moved to the northbound lanes in areas. Outside of the work zone, traffic will still have double lanes in both directions with occasional lane closures for shoulder work. In addition, we will only have 4' outside shoulder and 2' shoulder in the barrier wall locations both directions. Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday to Friday; lane closures and traffic control shall remain in place 24 hours a day 7 days a week.

### **NM 498 "Racetrack Drive" Mile Marker 0.600 to 0.900, Sunland Park** [CN E100140](#)

Hasse Contracting Co., Inc. (Contractor) construction is currently on suspension. NM 498 is closed from Doniphan Drive to Futurity Drive; detour is in place on Sunland Park Drive.

### **NM 273 "McNutt Road" Mile Marker 0 - 3, Sunland Park**

Constructors, Inc. (Contractor) continues with roadway reconstruction, rehabilitation, signalization & lighting along NM 273 "McNutt Rd". Traffic is being diverted from southbound driving lanes to northbound driving lanes with a single lane of travel in each direction. Motorists are asked to reduce speed and follow all temporary construction signing. The contractor's hours of operation will be from 6:30 am to 5:30 pm, Monday through Friday. Construction is expected to be completed by fall 2019.

## **Chip Sealing Operations:**

The New Mexico Department of Transportation (NMDOT) will be performing "Chip Sealing" with Brooming and Fog Sealing operations in Sierra Co. Speed limit will be reduced, traffic will encounter no center stripe and there will be loose gravel on roadway. Traffic will encounter lane drops with pilot car and flagging operations. Roadways affected will be:

NM 181 from mile post 0 to 8.9, T or C to Red Rock  
NM 195 “Lakeshore Rd” from milepost 0 to 2 and milepost 3 to 4, Elephant Butte  
NM 52, NM 142, NM 179, NM 51 (3<sup>rd</sup> Street), NM 177: complete and waiting for striping
