The ten ZIP codes across the state with the most COVID-19 cases on Thursday, Feb. 18 are:

87121 - 20  
88081 - 17  
88244 - 17  
87114 - 13  
87120 - 13  
88005 - 13  
88012 - 12  
87507 - 11  
88001 - 11  
88310 - 11

Daily case counts and test numbers are raw data based on information the state receives today - meaning data that has not yet been scrutinized to identify potential duplicates or late-arriving positives or negatives. By contrast, the [Red Yellow Green county-level analysis](#) provides a highly accurate picture for a two-week period of time.

Previously reported numbers included three cases that have been identified as duplicates (one in Cibola County, one in Luna County, one in San Miguel County) and one case in Taos County that was not lab confirmed-- these have now been corrected. Including the above newly reported cases, New Mexico has now had a total of 181,739 COVID-19 cases:

Bernalillo County: 51,557  
Catron County: 82  
Chaves County: 8,529  
Cibola County: 2,710  
Colfax County: 692  
Curry County: 4,855  
De Baca County: 131  
Doña Ana County: 22,230  
Eddy County: 6,254  
Grant County: 1,442  
Guadalupe County: 341  
Harding County: 8  
Hidalgo County: 342  
Lea County: 7,972  
Lincoln County: 1,500  
Los Alamos County: 468  
Luna County: 3,051  
McKinley County: 11,911  
Mora County: 152  
Otero County: 3,138

Quay County: 415  
Rio Arriba County: 3,363  
Roosevelt County: 1,822  
Sandoval County: 10,691  
San Juan County: 13,389  
San Miguel County: 1,202  
Santa Fe County: 9,475  
Sierra County: 680  
Socorro County: 1,200  
Taos County: 1,494  
Torrance County: 627  
Union County: 214  
Valencia County: 6,042

County totals are subject to change upon further investigation and determination of residency of individuals positive for COVID-19.

The Department of Health currently reports the following numbers of COVID-19 cases among individuals held by federal agencies at the following facilities:

- Cibola County Correctional Center: 440
- Otero County Federal Prison Facility: 443
- Otero County Processing Center: 197
- Torrance County Detention Facility: 47

The Department of Health currently reports the following numbers of COVID-19 cases among individuals held by the New Mexico Corrections Department at the following facilities:

- Central New Mexico Correctional Facility in Valencia County: 286
- Guadalupe County Correctional Facility: 251
- Lea County Correctional Facility: 449
- Northeast New Mexico Correctional Facility in Union County: 166
- Northwest New Mexico Correctional Center in Cibola County: 123
- Otero County Prison Facility: 472
- Penitentiary of New Mexico in Santa Fe County: 215
- Roswell Correctional Center: 229
- Southern New Mexico Correctional Facility in Doña Ana County: 217
- Springer Correctional Center in Colfax County: 151
- Western New Mexico Correctional Facility in Cibola County: 74

As of today, there are 284 individuals hospitalized in New Mexico for COVID-19. This number may include individuals who tested positive for COVID-19 out of state but are currently hospitalized in New Mexico. This number does not include New Mexicans who tested positive for COVID-19 and may have been transferred to a hospital out of state.

As of today, there are 126,446 COVID-19 cases designated as having recovered by the New Mexico Department of Health.

- Vida Encantada Nursing & Rehabilitation in Las Vegas
- Vista Sandia Assisted Living in Albuquerque
- Westwind House Assisted Living in Albuquerque
- Wheatfields Senior Living Community in Clovis
- White Sands Healthcare in Hobbs

The Department of Health has detected community spread in the state of New Mexico and is investigating cases with no known exposure. The agency reports that given the infectious nature of the virus it is likely other residents are infected but yet to be tested or confirmed positive. To that end, all New Mexicans have been instructed to stay home except for outings absolutely necessary for health, safety and welfare. These additional restrictions have been enacted to aggressively minimize person-to-person contact and ensure spread is mitigated. New Mexicans

are strongly urged to limit travel to only what is necessary for health, safety and welfare.

The New Mexico Department of Health has active investigations into the positive patients, which includes contact-tracing and swabs of symptomatic individuals who have had contact with the positive cases.

Every New Mexican must work together to stem the spread of COVID-19. Stay home, especially if you are sick. Wear a mask or face covering when in public and around others.

New Mexicans who report symptoms of COVID-19 infection, such as fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell should call their health care provider or the NMDOH COVID-19 hotline immediately (1-855-600-3453).

The Department of Health strongly encourages the following groups to get tested:

- Symptomatic people displaying the COVID-19 symptoms of fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell;
- Asymptomatic people who are close contacts or household members of people in their infectious period who have already tested positive for the coronavirus;
- Asymptomatic people who live or work in congregate settings such as long-term care facilities and group homes;
- Patients who are scheduled for surgery and whose provider has advised them to get tested before the procedure.

New Mexicans who have non-health-related questions or concerns can also call 833-551-0518 or visit [newmexico.gov](http://newmexico.gov), which is being updated regularly as a one-stop source for information for families, workers and others affected by and seeking more information about COVID-19.
