DVS to host a Facebook discussion on veteran suicide prevention awareness

SANTA FE-The New Mexico Department of Veterans Services (DVS) is hosting a “live” Facebook discussion on veteran suicide prevention awareness on Friday, February 19, at 10:30am on the DVS Facebook page at <https://www.facebook.com/nmdvshealthcare2015/>.

In this third installment of this discussion series, DVS Healthcare Division Director Jemia Warner will talk with New Mexico VA Health Care System (NMVAHCS) Suicide Prevention Case Manager CJ Fletcher, who as a veteran will provide a veteran’s perspective of suicide awareness and prevention.

The two will also discuss the importance of engaging in mental health resources, and will have more information about additional local and national resources to help at-risk veterans and their support systems.
