FOR IMMEDIATE RELEASE

March 22, 2021

New Mexico COVID-19 update: 167 new cases, totaling 189,893
Three additional COVID-19 deaths

SANTA FE – New Mexico state health officials on Monday announced 167 additional COVID-19 cases. Per the state Department of Health, the most recent cases are:

- 67 new cases in Bernalillo County
- 1 new case in Chaves County
- 1 new case in Curry County
- 24 new cases in Doña Ana County
- 4 new cases in Eddy County
- 1 new case in Grant County
- 22 new cases in Lea County
- 1 new case in Lincoln County
- 11 new cases in Luna County
- 2 new cases in McKinley County
- 4 new cases in Otero County
- 1 new case in Roosevelt County
- 12 new cases in Sandoval County
- 6 new cases in San Juan County
- 1 new case in San Miguel County
- 2 new cases in Santa Fe County
- 3 new cases in Sierra County
- 1 new case in Torrance County
- 3 new cases in Valencia County

The Department of Health on Monday reported three additional deaths in New Mexico related to COVID-19:

- A male in his 50s from Lea County. The individual was hospitalized.
- A male in his 20s from San Juan County. The individual was hospitalized and had underlying conditions.
- A female in her 80s from San Juan County. The individual was hospitalized.

The number of deaths of New Mexico residents related to COVID-19 is now 3,892.

The ten ZIP codes across the state with the most COVID-19 cases on Monday, Mar. 22 are:

87121 - 15
88240 - 15
88030 - 11
87112 - 9
87114 - 6
87120 - 6
87144 - 6
88063 - 6
87124 - 5
87401 - 5

Daily case counts and test numbers are raw data based on information the state receives today - meaning data that has not yet been scrutinized to identify potential duplicates or late-arriving positives or negatives. By contrast, the [Red Yellow Green county-level analysis](#) provides a highly accurate picture for a two-week period of time.

Previously reported numbers included four cases that have been identified as duplicates (one in McKinley County, two in Rio Arriba County, one in San Juan County) and one case in Grant County that was not lab confirmed - these have now been corrected. Including the above newly reported cases, New Mexico has now had a total of 189,893 COVID-19 cases:

Bernalillo County: 54,118
Catron County: 83
Chaves County: 8,707
Cibola County: 2,806
Colfax County: 718
Curry County: 5,010
De Baca County: 133
Doña Ana County: 23,557
Eddy County: 6,619
Grant County: 1,590
Guadalupe County: 366
Harding County: 9
Hidalgo County: 351
Lea County: 8,172
Lincoln County: 1,577
Los Alamos County: 494
Luna County: 3,194
McKinley County: 12,110

Mora County: 168
Otero County: 3,562
Quay County: 425
Rio Arriba County: 3,445
Roosevelt County: 1,858
Sandoval County: 11,194
San Juan County: 13,646
San Miguel County: 1,311
Santa Fe County: 9,782
Sierra County: 710
Socorro County: 1,233
Taos County: 1,599
Torrance County: 671
Union County: 244
Valencia County: 6,332

County totals are subject to change upon further investigation and determination of residency of individuals positive for COVID-19.

The Department of Health currently reports the following numbers of COVID-19 cases among individuals held by federal agencies at the following facilities:

- Cibola County Correctional Center: 446
- Otero County Federal Prison Facility: 443

- Santa Fe Care Center in Santa Fe
- Senior Living Systems in Los Lunas
- Suites at Rio Vista in Rio Rancho
- Vecinos Santos Assisted Living in Santa Rosa
- Welbrook Senior Living in Las Cruces
- The Woodmark at Uptown in Albuquerque

The Department of Health has detected community spread in the state of New Mexico and is investigating cases with no known exposure. The agency reports that given the infectious nature of the virus it is likely other residents are infected but yet to be tested or confirmed positive. To that end, all New Mexicans have been instructed to stay home except for outings absolutely necessary for health, safety and welfare. These additional restrictions have been enacted to aggressively minimize person-to-person contact and ensure spread is mitigated. New Mexicans

are strongly urged to limit travel to only what is necessary for health, safety and welfare.

The New Mexico Department of Health has active investigations into the positive patients, which includes contact-tracing and swabs of symptomatic individuals who have had contact with the positive cases.

Every New Mexican must work together to stem the spread of COVID-19. Stay home, especially if you are sick. Wear a mask or face covering when in public and around others.

New Mexicans who report symptoms of COVID-19 infection, such as fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell should call their health care provider or the NMDOH COVID-19 hotline immediately (1-855-600-3453).

The Department of Health strongly encourages the following groups to get tested:

- Symptomatic people displaying the COVID-19 symptoms of fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell;
- Asymptomatic people who are close contacts or household members of people in their infectious period who have already tested positive for the coronavirus;
- Asymptomatic people who live or work in congregate settings such as long-term care facilities and group homes;
- Patients who are scheduled for surgery and whose provider has advised them to get tested before the procedure.

New Mexicans who have non-health-related questions or concerns can also call 833-551-0518 or visit newmexico.gov, which is being updated regularly as a one-stop source for information for families, workers and others affected by and seeking more information about COVID-19.
