*Traffic Report for week of **March 21st to 28th, 2021***

*In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area. **PLEASE NOTE:** Conditions are subject to change without notice. Double fines for speeding in work zones may be in effect.*

White Sands Missile Range Notification

For information regarding closures, you may call WSMR at 678-1178 or 678-2222 for updates.

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

Interstates:

I-25 & University Ave, Mile Marker 1, Las Cruces CN000250

La Calerita Construction, LLC (Contractor) will have the following closure in place. Crews are scheduled to upgrade the traffic signal at Las Alturas Drive and University Avenue March 29-April 2, 2021. During this work, the intersection will be controlled by a 4-way stop 24 hours a day. *Motorists should use extra caution in this area during this work.*

A lane closure will be in place in the left passing lane on I-25 in both the northbound and southbound lanes under the new bridge. This closure is expected to last through late March. The southbound I-25 off-ramp is now open to traffic. Traffic using the ramp is only able to turn right or left at University Ave. Access from University Ave. to the southbound I-25 on-ramp will be through the Triviz/University intersection and the new south roundabout. Detour signing is in place.

Traffic on University Ave. is shifted to the north so that crews can begin to rebuild the south side of the I-25 University and Pan American bridges. Two lanes of traffic are open in each direction (east and west). The I-25 northbound loop ramp is closed for traffic safety. Both eastbound and westbound traffic on University Avenue can access northbound I-25 from the on-ramp at the traffic signal. Regular work hours are Monday-Friday 7 a.m.-5 p.m. although crews may work longer hours or on Saturdays as needed. Traffic control will remain in place 24/7. Questions or concerns: visit www.i25-university.com.

I-25, Mile Marker 105 to 115, north of T or C CN1101910

Mountain States Construction, Inc. (Contractor) will continue paving I-25 on both northbound and southbound lanes from milepost 105 to 115. Expect overnight lane closures in the northbound passing lanes as the contractor is performing these roadway improvements. Hours of operation will be from 7:00 am to 5:00 pm, Monday through Friday. Construction is expected to be completed by spring 2021.

I-25, Mile Marker 59 to 72, T or C

J-H Supply, Inc. (Contractor) will be replacing and upgrading roadside barriers along I-25 in Sierra County. Project is substantially complete. Expect shoulder closures in the northbound and southbound direction during daytime working hours. Hours of operation will be from 7:00 am to 5:00 pm, Monday through Friday. Construction is expected to be completed by spring 2021.

I-25, Business Loop, Socorro, CN 1101550R

Structures Inc., (Contractor) will be continuing with construction on the I-25 Business Loop in Socorro. The Socorro northbound off ramp exit 150 remains closed, the northbound on ramp is open and traffic is on detour cross-over. Please follow construction detour signage. Lane closures can be expected on I-25 northbound and southbound throughout the week. Contractor's hours of operation will be from 6:00 am to 6:00 pm Monday to Friday.

I-10, Mile Marker 132, Las Cruces CN100370

Kimo Constructors, Inc. (Contractor) will be continuing with bridge repairs at milepost 132 (Love's Truck Stop Exit). The bridge over I-10 is now closed at exit 132 for southbound traffic, northbound traffic can still utilize the bridge at this location. Traffic can expect various daytime lane closures on both eastbound and westbound outside lanes as needed. Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday to Friday.

I-10, Mile Marker 19 to 24, Lordsburg CN1100612

Mountain States Constructors, Inc. (Contractor) will be finalizing construction at milepost exit 20B (Lordsburg West) and milepost 24 (Lordsburg East), all ramps are now open. Traffic can expect various daytime lane closures as needed. Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday through Friday. Construction is expected to be completed spring of 2021.

I-10, Mile Marker 49, Deming Area CN1100450

Kimo Constructors, Inc. (Contractor) will be continuing bridge replacement and roadway reconstruction on NM 146 "Hatchita Bridge" at I-10 milepost 49. *The Bridge is CLOSED*; detour will be in place on the frontage road, Separ exit 42 and frontage road, Quincy exit 55. I-10 eastbound passing lane is closed, westbound lanes are open. Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday to Friday; lane closures and traffic control shall remain in place 24 hours a day 7 days a week.

I-10, Mile Marker 29 to 49, Lordsburg

L & J, (Contractor) will be replacing the eastbound fence from milepost 29 to 42, east of Lordsburg. Shoulder work ahead signage will be in place as needed. Contractor's hours of operation will be from 6:30 am to 6:00 pm Monday to Friday.

US Roadways:

US 180, Mile Marker 120 to 123, Santa Clara

James Hamilton Construction Company (Contractor) will be continuing the installation of the pedestrian trail which includes lighting, signing and pedestrian facilities. US 180 will have a lane closures on the eastbound and westbound right driving lanes with a reduced speed to 35 mph during working hours; traffic control will be in place for the safety of our construction workers. Contractor hours of operation will be Monday through Friday from 7:00 a.m. till 5:00 p.m. This project is estimated to be completed by spring 2021.

US 180, Mile Marker 115 to 120, Arenas Valley

Hasse Contracting Co., (Contractor) has completed all work. Contractor working on clean-up of project. Shoulders and roadway are now open to traffic. Hours of operation will be from 7:00 a.m. until 5:00 p.m. Project is expected to be completed by March 2021.

US 180, Mile Marker 114 to 115, Silver City CN1101450

James Hamilton Construction Company (Contractor) has started roadwork on US 180. Traffic can expect a lane closure on the eastbound lanes on US 180 during working hours. Contractor hours of operation will be Monday through Friday from 7:00 a.m. till 5:00 p.m. This project is estimated to be completed by spring 2021.

State Roadways:

NM 211, Mile Marker 4.4, Gila

The New Mexico Department of Transportation District One maintenance crews are replacing a culvert pipe on NM-211 at milepost 4.4. Work is expected to take two days to complete, weather permitting. Traffic will be detoured northern NM-211 to NM-293, Box Canyon Road or Southern NM-211 to Airport Mesa Road, River Road, or NM-153, Turkey Creek Road. Crews will make every effort to get the roadway reopened as soon as possible.

NM 338, Mile Marker 23 to 24, Animas

The New Mexico Department of Transportation (NMDOT) will be performing "Crack Sealing" in Hidalgo Co., north of Animas. Speed limits will be reduced. Traffic will encounter a flagging operation Monday through Thursday from 8:00 am until 5:00 pm.

NM 152 Bridge Replacement, Hillsboro

The Federal Highway Administration - Central Federal Lands Highway Division (FHWA-CFLHD) has started replacement of truss bridges project on NM 152. The two existing bridges on NM 152 are between Hillsboro and Kingston. The bridges are located five (MP 46) and seven (MP43) miles west of Hillsboro within Sierra County. The contractor has begun constructing detours on NM 152. Slow down and use caution in the area. Watch for shoulder work and large trucks turning on the roadway. Crews have closed the bridge near milepost 43. A shoo-

fly style detour as well as temporary traffic signals will be in place 24/7 for traffic control. Contractor's hours are Monday through Friday from 7:00 a.m. until 5:00 p.m.

NM 404 and I-10 Bridge Replacement, Anthony EN100202

AUI, Inc. (Contractor) has begun roadwork on the replacement of the NM 404 Bridge over I-10 at milepost 162, Anthony exit. Detours for I-10 EB exit/entrance ramps at the Anthony exit are now in operation, so motorists should be on alert for the new traffic pattern at the intersection with NM 404. Traffic should expect lane closures on I-10 eastbound and westbound. Hours of operation will be from 7:00 a.m. until 5:00 p.m., Monday through Friday. Traffic control will remain in place 24/7.

NM 226, Mile Marker 1.50, Berino CN1101510

FNF Construction, Inc. (Contractor) will continue with box culvert replacement over the Three Saints Lateral Canal along NM 226 near Berino. During construction, NM 226 will be closed to traffic between mileposts 1.3 and 1.5. Motorists wishing to cross NM 226 will need to seek an alternate route. Hours of operation will be from 8:00 a.m. until 5:00 p.m., Monday through Friday. Traffic control will remain in place 24/7. This project is estimated to be complete by end of March 2021.

NM 187 "El Camino Real", Mile Marker 16.93 to 31.1, Arrey-Caballo CN1101370

FNF Construction, Inc. (Contractor) has begun the replacement of Bridges located in Arrey and Caballo. Expect shoulder work operations for detour placement at milepost 31. This project has 6 structures that will get replaced, three of them bridges (Trujillo Canyon MP 17.1, Seco Creek MP 26.6, and King Canyon MP 30.8) additionally three others are concrete box replacements at milepost 19.52, 22.24 & 22.76. As demolition gets closer detours will be put in place onto I-25 from EXIT 59 (Caballo) to EXIT 63 (Hillboro) and where it allows a shoo-fly style detour around the structure. Box replacement has begun at milepost 22.2. Traffic will need to utilize I-25 exit 63 and 59 to access locations on NM 187 for both sides of the bridge. A shoo-fly diversion is in place at King Canyon (MP 30.8) as well as Seco Creek (MP 26.6). Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday to Friday.

City of Las Cruces Projects:

Tashiro Drive

Tashiro Drive is scheduled to undergo utilities and roadway reconstruction by Morrow Enterprises, Inc., as part of the City of Las Cruces Tashiro Drive Widening Project. Work will begin Monday, October 26, 2020, and the closure is estimated to last approximately 9 months in duration. Work will take place between 7 a.m. and as late as 6 p.m. During construction, access to Tashiro Drive from North Valley Drive, or North Motel Boulevard, will not be permitted, signage and detours will be present directing traffic around the closure by way of West Picacho Avenue. Access to the Field of Dreams Facility and Baseball Complex will be available through the parking lot entrance north of Tashiro Drive on North Motel Boulevard.

Van Patten Avenue

Van Patten Avenue from N. Raymond St. to N. Alameda Blvd. is scheduled to undergo roadway and utility improvements by DuCross Construction, LLC as part of the City of Las Cruces Van Patten Avenue Reconstruction Project. Work will begin Monday, November 2, 2020, and the closure is estimated to last approximately 4 months in duration. During construction, access to Van Patten Avenue will not be permitted to through traffic. Access to businesses and residences will be maintained. Sidewalks will be closed in areas for construction and for the safety of the public. Signage and detours will be present directing traffic around the work zone.

Hoagland Road

As part of the Active Transportation Plan Sidewalk Gap Project, the east bound lane on Hoagland Road between Highland Avenue and Alameda Avenue will be closed to traffic while Two Bit Trucking Co. places new sidewalk between Highland Ave. and Alameda Blvd. The lane closure will be in effect through Wednesday, March 3, 2021 Monday-Friday between the hours of 7:00am and 4:00pm. The official detour for this lane closure will be through McClure Road. Access to businesses and residents will be maintained at all times. West bound traffic on Hoagland Road will be maintained at all times.
