- A female in her 80s from Valencia County. The individual had underlying conditions and was a resident of the Senior Living Systems in Los Lunas.

The number of deaths of New Mexico residents related to COVID-19 is now 3,960.

The ten ZIP codes across the state with the most COVID-19 cases on Tuesday, Apr. 6 are:

87120 - 17  
 87026 - 9  
 87114 - 9  
 87106 - 7  
 87112 - 7  
 87144 - 7  
 87121 - 6  
 88012 - 6  
 87107 - 5  
 87105 - 4

Daily case counts and test numbers are raw data based on information the state receives today - meaning data that has not yet been scrutinized to identify potential duplicates or late-arriving positives or negatives. By contrast, the [Red Yellow Green county-level analysis](#) provides a highly accurate picture for a two-week period of time.

Previously reported numbers included three cases that have been identified as duplicates (two in Bernalillo County, one in Cibola County) - these have now been corrected. One death reported on Jan. 6 of a male in his 60s from Doña Ana County who was hospitalized was found to have been previously reported on Dec. 16 and has been corrected. Including the above newly reported cases, New Mexico has now had a total of 192,773 COVID-19 cases:

Bernalillo County: 55,145  
 Catron County: 84  
 Chaves County: 8,759

Cibola County: 2,827  
Colfax County: 724  
Curry County: 5,050  
De Baca County: 134  
Doña Ana County: 24,019  
Eddy County: 6,684  
Grant County: 1,638  
Guadalupe County: 376  
Harding County: 9  
Hidalgo County: 355  
Lea County: 8,237  
Lincoln County: 1,596  
Los Alamos County: 503  
Luna County: 3,246  
McKinley County: 12,146  
Mora County: 169  
Otero County: 3,671  
Quay County: 427  
Rio Arriba County: 3,492  
Roosevelt County: 1,870  
Sandoval County: 11,474  
San Juan County: 13,839  
San Miguel County: 1,319  
Santa Fe County: 9,903  
Sierra County: 714  
Socorro County: 1,247  
Taos County: 1,621  
Torrance County: 685  
Union County: 246  
Valencia County: 6,459

County totals are subject to change upon further investigation and determination of residency of individuals positive for COVID-19.

The Department of Health currently reports the following numbers of COVID-19 cases among individuals held by federal agencies at the following facilities:

- Cibola County Correctional Center: 446
- Otero County Federal Prison Facility: 444
- Otero County Processing Center: 198
- Torrance County Detention Facility: 47

The Department of Health currently reports the following numbers of COVID-19 cases among individuals held by the New Mexico Corrections Department at the following facilities:

- Central New Mexico Correctional Facility in Valencia County: 292
- Guadalupe County Correctional Facility: 251
- Lea County Correctional Facility: 759
- Northeast New Mexico Correctional Facility in Union County: 167
- Northwest New Mexico Correctional Center in Cibola County: 126
- Otero County Prison Facility: 472
- Penitentiary of New Mexico in Santa Fe County: 217
- Roswell Correctional Center: 230
- Southern New Mexico Correctional Facility in Doña Ana County: 230
- Springer Correctional Center in Colfax County: 151
- Western New Mexico Correctional Facility in Cibola County: 75

As of today, there are 82 individuals hospitalized in New Mexico for COVID-19. This number may include individuals who tested positive for COVID-19 out of state but are currently hospitalized in New Mexico. This number does not include New Mexicans who tested positive for COVID-19 and may have been transferred to a hospital out of state.

As of today, there are 174,338 COVID-19 cases designated as having recovered by the New Mexico Department of Health.

The Department of Health has identified at least one positive COVID-19 case in residents and/or staff in the past 28 days at the following long-term care facilities:

- Advanced Health Care in Albuquerque
- Albuquerque Heights Healthcare and Rehabilitation Center
- Avamere at Fiesta Park in Albuquerque
- Bear Canyon Rehabilitation Center in Albuquerque
- Belen Meadows Healthcare and Rehabilitation Center in Belen
- Casa del Sol Center in Las Cruces
- Casa Sandia in Albuquerque
- Desert Springs Nursing and Rehabilitation Center in Hobbs
- Genesis Healthcare Uptown in Albuquerque
- Good Samaritan Society – Betty Dare in Alamogordo
- Lakeview Christian Home in Carlsbad
- La Vida Llena Assisted Living in Albuquerque
- Mission Arch Center in Roswell
- The Montecito in Santa Fe
- New Mexico State Veterans Home in Truth or Consequences
- Pacifica Senior Living in Santa Fe
- Princeton Place in Albuquerque
- Retirement Ranches in Clovis
- Santa Fe Care Center in Santa Fe
- Skies Healthcare and Rehabilitation Center in Albuquerque
- Vecino Sanos Assisted Living in Santa Rosa

The Department of Health has detected community spread in the state of New Mexico and is investigating cases with no known exposure. The agency reports that given the infectious nature of the virus it is likely other residents are infected but yet to be tested or confirmed positive. To that end, all New Mexicans have been instructed to stay home except for outings absolutely necessary for health, safety and welfare. These additional restrictions have been enacted to aggressively minimize person-to-person contact and ensure spread is mitigated. New Mexicans are strongly urged to limit travel to only what is necessary for health, safety and welfare.

The New Mexico Department of Health has active investigations into the positive patients, which includes contact-tracing and swabs of symptomatic individuals who have had contact with the positive cases.

Every New Mexican must work together to stem the spread of COVID-19. Stay home, especially if you are sick. Wear a mask or face covering when in public and around others.

New Mexicans who report symptoms of COVID-19 infection, such as fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell should call their health care provider or the NMDOH COVID-19 hotline immediately (1-855-600-3453).

The Department of Health strongly encourages the following groups to get tested:

- Symptomatic people displaying the COVID-19 symptoms of fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell;
- Asymptomatic people who are close contacts or household members of people in their infectious period who have already tested positive for the coronavirus;
- Asymptomatic people who live or work in congregate settings such as long-term care facilities and group homes;
- Patients who are scheduled for surgery and whose provider has advised them to get tested before the procedure.

New Mexicans who have non-health-related questions or concerns can also call 833-551-0518 or visit [newmexico.gov](http://newmexico.gov), which is being updated regularly as a one-stop source for information for families, workers and others affected by and seeking more information about COVID-19.
