

Fire Department Push Back Ceremony Public Invited to Participate in Launch of New Fire Trucks Tomorrow, Friday May 21

May 20, 2021 -- The City of Santa Fe and the Santa Fe Fire Department invite members of the public to join in the launching of two new vehicles in a traditional Push Back Ceremony. Anyone with an appreciation of the lore of firefighting and state-of-the-art equipment should be interested in attending the ceremony.

Event: Push Back Ceremony to launch into service a new fire truck, Ladder 4. Ceremonial towels, refreshments, and opportunities to conduct walk-around tours of the vehicle, the cab, and compartments. A new brush truck will also be pushed back; attendees will learn the history of that term at the event.

Where: Fire Station 4, 1130 Arroyo Chamisa Rd.

When: 10 a.m, Friday, May 21, 2021.

Who: Members of the public and the media are invited to join Mayor Webber, Fire Chief Paul Babcock and other Fire Department personnel, and members of the City Council.

Note: COVID-safe protocols will be observed.
