**Mark Moores's Statement on Second Gentleman Doug
Emhoff's NM Campaign Stop**

“Instead of showing any real leadership on the issues that matter to hardworking New Mexicans, Melanie Stansbury’s campaign is rolling out the red carpet for a political photo op. While Albuquerque is experiencing a record homicide rate, Second Gentleman Doug Emhoff should be spending his day meeting with law enforcement, the families of these victims, and city leadership to see how the federal government can help us clean up our streets. Melanie loves to brag about her ‘grit and determination,’ but it’s clear she’s only determined to fit in with the DC elites and be a rubber stamp for their radical agenda that punishes New Mexicans.”

The Republican Party of New Mexico (RPNM) advances the ideals of individual liberties for the advancement of its citizens and the greater prosperity of our communities throughout New Mexico. Led by an Executive Board and its Chairman, former NM Congressman Steve Pearce, RPNM serves all New Mexicans via its headquarters in Albuquerque and can be contacted at (505) 298-3662.
