Senator Michael Padilla 9th Annual Job Fair

92 employers and more than 4,600 jobs available

Albuquerque, NM (July 20, 2021) - Senator Michael Padilla's annual job fair has become a great way to find a wide range of jobs. "Our job fair will feature 92 high quality employers and over 4,600 jobs" said Senator Michael Padilla. See registered employers below. Padilla also said "In the past eight years we have helped over 4,365 people find new jobs." Padilla added "Helping people find a good job helps reduce home foreclosure rates, improves school test scores and reduces crime in our community."

Employers are also looking for workers. Senator Padilla is helping employers by providing this free service to the community. Senator Padilla said "Employers need workers badly, and this job fair is designed to connect companies with the unemployed for a variety of skill sets."

The job fair will be held on Wednesday, July 21, from 10:00 AM to 2:00 PM, at Harrison Middle School, located at 3912 Isleta SW, located just behind the South Valley Library. Click [here](#) for a map to the location.
