

Real Issues. Real People. Real New Mexico.

In [this week's episode](#) of **Inside New Mexico**, Steve talks about:

- The situation in communist Cuba.
- How President Biden is mishandling immigration.
- How gaslighting is taking hold in parts of the world.
- How journalism is changing its mission.
- The ways OPEC policy will impact the price of oil and how the left-leaning Democrats are hurting New Mexico's vital oil and gas industry.
- How Biden's border policy is causing serious problems.

Steve also addresses new election revelations out of Arizona and Georgia and the importance to fight for the ideals and freedoms on which our nation was founded.

You'll also hear from Cibola County Sheriff Tony Mace who discusses the influx of drugs coming into our state.
