

**Real Issues. Real People. Real New Mexico.**

In [this week's episode](#) of **Inside New Mexico**, Steve talks about:

- The disaster in Afghanistan.
- How Biden's policies are embarrassing the nation on the world stage.
- The plummeting Biden poll numbers and how Donald Trump would have handled Afghanistan differently.
- The key 2022 elections across the country.
- How the public is rejecting the Biden Administration.
- The votes by New Mexico's two U.S. Senators not to test immigrants for COVID at the border.
- The resurgence of COVID and the latest illogical policies by the Governor regarding vaccines and masks and how this will impact New Mexico businesses and the economy.
- The ways Democrats are taking away our freedoms.
- The importance of border security.
