

**Real Issues. Real People. Real New Mexico.**

In [this week's episode](#) of Inside New Mexico, Steve talks about:

- The proposed redistricting maps for New Mexico.
- The Governor's State Treasurer who agreed she overstepped her authority spending federal relief dollars.
- A poll showing Americans don't want the IRS investigating their bank accounts.
- The supply chain issues around the nation.
- How President Biden's policies are devastating our economy.
- The escalating tensions between China and Taiwan.

The crime crisis across the nation.
