Traffic Report for week of November 14th to 21st, 2021

*In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area. **PLEASE NOTE:** Conditions are subject to change without notice. Double fines for speeding in work zones may be in effect.*

White Sands Missile Range Notification

For information regarding closures, you may call WSMR at 678-1178 or 678-2222 for updates.

Interstates:

I-25 & University Ave, Mile Marker 1, Las Cruces CN000250

La Calerita Construction, LLC (Contractor) project is now substantially complete. **Monday, Nov. 15 through Thursday, Nov. 18**, eastbound University Avenue will be reduced to one lane in the construction zone, all traffic will be pushed to the left lane. Westbound University Ave traffic will NOT be able to access I-25 southbound on-ramp from University Ave. Traffic will be detoured to the Triviz traffic signal to the south round-about and into I-25 southbound.

The contractor will continue to work on a list of final required construction activities. It is expected that work will continue through November 2021. Regular work hours are Monday-Friday, 7 a.m.-5 p.m., Questions, comments, or concerns: visit www.i25-university.com.

I-25, Mile Marker 34 to 39, Rincon CN1101021

Mountain States Constructors, Inc. (Contractor) will be continuing a roadway reconstruction project on I-25 north of Las Cruces. A detour crossover will be in place, all traffic will be shifted into the southbound lanes utilizing crossover detour and barrier wall separation. The Rincon, exit 35 northbound on and off ramps will be closed, southbound exit is open, follow detour signage. This closure is expected for the next three months. Hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday. Traffic control will remain in place 24/7.

I-25, Mile Marker 41, Hatch

The New Mexico Department of Transportation (NMDOT) will be performing roadway repairs. Traffic will encounter reduced speed limits, a mobile traffic light, and flagging operations in the work zone. This work will also require an Interstate 25, northbound driving right lane closure at milepost 41 (Hatch Exit). The closure will be in affect 24 hours a day until the project is completed.

I-10, Mile Marker 21 to 25, Lordsburg

AUI, Inc. (Contractor) is currently working on the bridge deck on the eastbound lanes. All traffic is currently shifted to the westbound lanes. The Exit 22 *on* ramp will be closed but Exit 22 *off* ramps will remain open, local traffic only. All oversized loads will need to utilize Exit 20, eastbound port of entry is open for all CMV traffic. Detour signs will be in place to direct traffic towards alternate routes. Animas St. will be unaffected and can be utilized in place of Main St. Daily hours of operation are 7 a.m. to 5 p.m., Monday through Friday. Traffic control will remain in place 24/7.

I-10, Mile Marker 24.9 to 35, Lordsburg CN1101600

Mountain States Construction, Inc. (Contractor) will be continuing a pavement preservation project on I-10 from milepost from milepost 24.9 (Lordsburg East) to milepost 35. Drivers can expect various daytime lane closures on both the eastbound and westbound lanes as needed. Contractor's hours of operation will be from 6 a.m. to 6 p.m., Monday through Friday. Construction is expected to be completed winter of 2021.

US Roadways:

US 180, Mile Marker 114 to 115, Silver City CN1101450

James Hamilton Construction Company (Contractor) will be completing roadwork on US 180. Traffic can expect a lane closure on the eastbound and westbound lanes throughout the intersection of US 180 and 32nd Street to Ranch Club Rd. Striping is scheduled to be completed next week, use caution for slow moving vehicles. Contractor hours of operation will be Monday through Friday from 7:00 a.m. till 5:00 p.m. This project is estimated to be completed by end of fall 2021.

US 70, Mile Marker 166-168, Las Cruces/San Augustine Pass

The New Mexico Department of Transportation (NMDOT) will be performing roadway repairs due to flooding on US 70 from milepost 170 to 168. Lane closures will be in place on the eastbound and westbound passing lanes as needed, speed limits will be reduced to 45 mph. Closures will be in place Monday through Thursday from 8:00 a.m. until 4:30 pm until November 30, 2021.

State Roadways:

NM 273 Mile Marker 2, Sunland Park

The New Mexico Department of Transportation (NMDOT) will be performing roadway repairs on NM 273 “McNutt Road” at milepost 2. The driving right lane is expected to be closed through November 30th. Motorists are asked to reduce speed, obey posted signs, and be cautious of personnel and equipment in the area.

NM 152 Bridge Replacement, Hillsboro

The Federal Highway Administration - Central Federal Lands Highway Division (FHWA-CFLHD) has completed the replacement of the original truss bridges on NM 152. Crews will be completing all remaining items with the bridge located at milepost 43. If needed the contractor may be utilizing a flagging operation to make final repairs. Contractor’s hours are daily, including weekends, from 7:00 a.m. until 5:00 p.m.

NM 404 and I-10 Bridge Replacement, Anthony [E100202](#)

AUI, Inc. (Contractor) is continuing with roadwork and replacement of the NM 404 Bridge over I-10 at milepost 162, Anthony exit. Construction closures along with a flagging operation will be in place at the NM 404 intersections with I-10. Daily contractor hours of operation are from 7 a.m. to 5 p.m., Monday through Saturday. Traffic control will remain in place 24/7.

NM 187 “El Camino Real”, Mile Marker 16.93 to 31.1, Arrey-Caballo [CN1101370](#)

FNF Construction, Inc. (Contractor) is continuing with replacement of Bridges located in Arrey and Caballo. A shoo-fly diversion is in place at Seco Creek (MP 26.6). NM 187 is completely open to traffic. Contractor’s hours of operation will be from 7:00 am to 5:00 pm Monday to Friday.

Chip Seal Projects, Grant Co:

The New Mexico Department of Transportation (NMDOT) will be performing “Fog Sealing and Brooming” operations in Grant Co. Speed limits will be reduced, no center stripe with loose gravel on roadway. Traffic will encounter lane drops with pilot car and flagging operations.

Roadways affected will be:

NM 15 from mile marker 43 to 28, Cliff Dwellings

City of Las Cruces Projects:

Peachtree Hills Road

Due to storm drain upgrades as part of new residential development, Peachtree Hills Road between Sonoma Ranch Boulevard and Metro Park Street will be closed while Renegade Construction, LLC places concrete box culverts. A detour will be in place throughout the duration of the construction and traffic will be guided through Sirocco Avenue and Metro Park Street.
