**PRESS BRIEFING: Policy Experts, Frontline Leaders, Corporate Accountability Advocates Analyze EPA's New Proposed Methane Safeguards, Highlight Opportunities for Public Engagement**

*Speakers to discuss key measures in EPA's new proposed safeguards, their climate impact, and the implications for communities on the frontlines of oil and gas development*

**Washington, DC** — Today, at 11:00pm MT, policy experts, frontline leaders, and corporate accountability advocates will join a press briefing to respond to the [Environmental Protection Agency's \(EPA\) proposed new Clean Air Act safeguards](#) to reduce methane and other harmful pollutants from new and existing sources in the oil and natural gas industry which were announced today.

In the briefing, speakers will analyze EPA's new proposed safeguards, discuss their potential climate impact, outline the implications for communities living on the frontlines of oil and gas development, detail opportunities to strengthen the rules, and highlight opportunities for public engagement before the safeguards are finalized by EPA.

**WHO:**

- Jon Goldstein, Senior Director for Regulatory and Legislative Affairs, Environmental Defense Fund
- Josh Eisenfeld, Corporate Accountability Communications Campaigner, Earthworks
- Patrice Tomcik, National Field Manager, Moms Clean Air Force
- Kendra Pinto, Four Corners Indigenous Community Field Advocate, Earthworks

**WHAT:** Press briefing to analyze and respond to EPA's new proposed methane safeguards for the oil and natural gas sector.

**WHEN:** Tuesday November 2, 2021 at 11:00 pm MT

**WHERE:** 877-229-8493 (Pin: 115493)
