

RPNM STATEMENT IN OBSERVANCE OF PRESIDENTS DAY

Albuquerque, February 21—Republican Party of New Mexico Chairman Steve Pearce released the following statement in observance of Presidents Day:

“Today we honor two pillars of our great nation and Republic, George Washington and Abraham Lincoln. The birth and legacy of these two Presidents must be revered as these leaders led the United States through turbulent times and made it their mission to unite the country. They both upheld strong Constitutional principles that laid the foundation for the United States we know and love today. They promoted and sustained liberties, freedoms and fostered a courage that has helped define our great nation.”
