RPNM STATEMENT CELEBRATING BLACK HISTORY MONTH

Albuquerque, February 2—The Republican Party of New Mexico released the following statement in honor of February as Black History Month:

This month, we honor the distinguished history and contributions of Black Americans throughout our nation. Countless stories of their fight for human rights and their perseverance, boldness, and faith are an inspiration to all Americans. The Republican Party of New Mexico will always support Conservative policies that uphold liberty, opportunity, and justice for the Black community, and we hold that commitment to every American.
