INSIDE NM

Real Issues. Real People. Real New Mexico.

With:
Steve Pearce

Join Steve Pearce and Derek Underhill as they bring Danielle Hernandez from Hobbs on board as a co-host for a fresh perspective on what is happening in our state as a Hispanic mother and former Democratic voter.

This week, you will hear from a newly registered 18-year-old voter on why she chose to be a Republican.

Then Steve and Danielle tackle the week's major topics.

- Our youth is leaving the state in droves, the workforce is lacking, and good jobs are sparse,
- mental health is getting worse, abortion tourism into NM has drastically increased which our tax dollars have funded,
- the border is being invaded by illegal immigrants who violently disrespect our border patrol agents, fentanyl is being targeted to children,
- a NM grandmother defended her and her grandson's life from a dangerous criminal who broke into her house with a firearm, would Democrats prefer her to have been defenseless?

Tune in to hear it all and more!
