

Join RPNM in Prayer on this National Day of Prayer

Today, on the National Day of Prayer, let us take a moment to pause from our hectic lives and seek God in prayer for the safety, well-being, and prosperity of our state and nation.

As our country faces an ever-increasing number of crises, let us turn to our faith as an anchor to hold us steady as the winds of fear, worry, and anxiety pass over us. Now more than ever, Americans need the hope, peace, and comfort that comes from a life of faith.

We must never forget how fortunate we are to live in the United States of America, where we have the right to pray and worship freely.

Today, we pay tribute to the many communities in New Mexico that are deeply rooted in faith and join them in a moment of prayer, reflection, and worship.

We encourage you to join us in praying for New Mexico and the United States.

Dear Heavenly Father,

I come before Your throne with a humble heart, lifting up our home state of New Mexico and the United States of America in prayer. Lord, our state and nation are in need of Your divine guidance, healing, and restoration. Grant us all the wisdom to navigate the challenges and decisions that lie ahead.

Unite us as a people, breaking down the walls of division and fostering a spirit of love and understanding among us. Help us embody the values that bind us, treating others with respect and compassion, regardless of our differences.

I pray for our local and national leaders that You would fill their hearts with integrity, wisdom, and a genuine concern for the well-being of all citizens. Grant them discernment in their decision-making processes so that they may govern with justice and fairness.

Lord, protect and strengthen those who serve our nation selflessly—our brave military personnel, first responders, and healthcare workers. Cover them with Your divine shield, giving them the strength and courage they need to fulfill their duties.

Father, I pray for a revival of faith within our land. May hearts be turned towards You, seeking spiritual renewal and transformation. Let Your light shine through our nation, guiding our actions and inspiring us all to live a life of love and service. Amen.
