Resource Updates

N.M. Finance Authority Essential Services Working Capital Program

The New Mexico Finance Authority will offer emergency loans to health care and other critical service providers whose operating funds are insufficient to meet the demand resulting from the health crisis and Emergency Health Orders. This program will be active on May 4.

Assistance with PPP Applications Available

South Valley Economic Development Center and the International District Economic Development Center are able to assist businesses in applying for the Payroll Protection Program (PPP). Their experts will guide applicants through the process of collecting the required documents and on the application itself. They have loan partners who monitor the loans to ensure they get into the SBA queue. Please direct any interested clients to clientservices@svedc.org or call (505)385-4409. *Time is of the essence.*

Local Agriculture Market Program (LAMP)

Administered by USDA's Agricultural Marketing Service (AMS), the program provides grants on a competitive basis for a wide spectrum of direct-to consumer and local food marketing projects, and is administered as two subprograms: the [Farmers Market Promotion Program \(FMPP\)](#) and [Local Food Promotion Program \(LFPP\)](#). They provide capacity and technical assistance grants and planning and implementation grants for food enterprises and producers who wish to expand their access to local food markets.

For FY 2020, AMS has announced the availability of \$27 million for FMLFPP. Applications must be submitted electronically through [grants.gov](https://www.grants.gov).
