House GOP statement on HB 74, Felon Voting Rights Changes

Santa Fe - Breaking news in New Mexico- House Democrats voted to give voting rights to rapists and pedophiles.

“Tone-deaf Democrats voted to restore felon rapists, murderers and child sex offenders voting rights, on the same day Albuquerque has seen 4 murders in 24-hours,” said House Republican Whip Rod Montoya (Farmington). “It appears Democrat’s response to out of control crime in NM is to protect the criminal instead of the victims.”

The measure passed the house on a vote of 44-24.
