

Real Issues. Real People. Real New Mexico.

[In this week's episode](#) of **Inside New Mexico**, Steve talks about:

- Marjorie Taylor Greene being stripped of her committee assignments.
- How President Biden is reaching too far with his executive orders.
- The importance of our oil and gas industry,.
- A recent threat to women's rights.
- The financial payoff from the legalization of marijuana.

- Steve also talks with freshman New Mexico Representative Stefani Lord about the election, the importance of party inclusion and key issues facing the New Mexico.
