DVS Healthcare Division Director Jemia Warner will be joined by representatives from the New Mexico VA Health Care System (NMVAHCS) and the New Mexico Department of Health (DOH) to provide the latest information about the two COVID-19 vaccine program options available for veterans: The NMVAHCS, and, for all New Mexicans, DOH.

A video will be posted on the DVS Facebook page shortly after the conclusion of the discussion for those unable to join this live discussion.
