US 180 Virtual Public Meeting

The New Mexico Department of Transportation (NMDOT) is conducting an engineering and environmental study that will consider roadway improvements to a 38-mile section of US 180 located generally between the communities of Bayard and Deming.

How can you learn more and be involved?

- NMDOT will host a project website and online public meeting to provide information regarding the study purpose, public survey results, and alternatives considered, as well as an opportunity to provide comments on the alternatives developed. The NMDOT is hosting this public meeting virtually, using Zoom, due to current health considerations and restrictions due to COVID-19.

To learn more about this project:

- Visit the project website at <http://www.engage-parametrix.com/us180>. Materials will be available online after February 24, 2021.

Attend the virtual public meeting on Thursday, March 4, 2021, 6:30 – 8:00 pm.
