**FOR IMMEDIATE RELEASE, April 9, 2021:**

## **Public Meetings to Present 2021-2022 Proposed Projects for the Habitat Stamp Program**

SANTA FE – The New Mexico Department of Game and Fish has scheduled two public meetings in order to inform the Citizen Advisory Committee, as well as the members of the public, of proposed projects for the upcoming fiscal year. A short presentation providing background information about each proposal will be followed by a brief Q & A session where members of the Citizen Advisory Committee and the public are encouraged to ask questions. Members of the public are invited to attend one or both of these meetings (to be held virtually) in order to become familiar with the proposed projects.

- **April 12 at 5:00 p.m. (Bureau of Land Management Proposals)**
- **April 13 at 5:00 p.m. (Forest Service Proposals)**

Information about how to attend and participate in this meeting is available on the NMDGF Habitat Stamp webpage, <http://www.wildlife.state.nm.us/conservation/habitat-stamp>, and copies of the proposed projects are also available on this page.
