

Real Issues. Real People. Real New Mexico.

In [this week's episode](#) of Inside New Mexico, Steve talks about:

- President Biden's address to Congress.
- Dick Morris's comments on Biden taking credit for what Donald Trump actually did.
- How President Biden is getting our nation further into debt and taxing Americans more.
- The wildfires in New Mexico.
- How the state's new sick leave law will hurt businesses.
- How CYFD is violating the law and putting our children at risk.
- Why we're losing manufacturing to other nations.

- Steve also interviews freshman NM Rep. Ryan Lane who talks about his first legislative session at the Roundhouse, committee assignments, the state's biggest challenges and his desire to promote conservative principles. Rep. Lane also addresses some key moments for him during his first legislative session.
