

Real Issues. Real People. Real New Mexico.

In [this week's episode](#) of Inside New Mexico, Steve talks about:

- Rising inflation, economic problems, instability around the world, the lack of respect for America and the crisis at our border under the Biden Administration.
- The Israel-Hamas cease-fire.
- Violations at the Children, Youth and Families Department.
- The state's overpayment of unemployment benefits and how he'd handle it.
- How Gov. Lujan Grisham is breaking the law dipping into her campaign fund.
- How the Governor continues to break her own rules and why her decisions are hurting New Mexico.
- Voting concerns in the CD-1 race, how the Party is working for election integrity and the importance of electing Mark Moores to Congress.

Why New Mexico's population is dwindling.
