## **N.M. to lift pandemic restrictions Thursday**

SANTA FE – Having met Gov. Michelle Lujan Grisham’s goal of 60 percent of eligible residents completing their COVID-19 vaccination series, the state of New Mexico on Thursday will enjoy the removal of remaining pandemic occupancy restrictions on commercial and day-to-day activities, including the color-coded county-by-county system.

Sixty-two percent of eligible New Mexicans have completed their vaccination series as of Tuesday, according to Department of Health data. The agency reports almost 71 percent of eligible New Mexicans have received at least one dose. The state’s vaccination distribution and education efforts will continue.

Effective July 1, all pandemic-related occupancy restrictions on all forms of commercial activity will be lifted. All businesses across the state may once again operate at 100 percent of maximum capacity. In addition, all limitations on mass gatherings are gone; businesses, large events and organizations may operate at 100 percent of maximum capacity, whether indoor or outdoor.

New Mexicans, particularly unvaccinated New Mexicans, should be advised of the [risks presented by the Delta variant](#) and should seek out their vaccinations at [vaccineNM.org](http://vaccineNM.org) immediately.

Businesses and local governments may still adopt and require additional precautions for residents, employees and/or patrons, at their discretion, and are still advised to enact whatever social distancing and facemasking measures may be appropriate to ensure the health and safety of customers and staff, in accordance with Centers for Disease Control and Prevention guidance.

The [state’s updated COVID-Safe Practices](#), a set of best practices and safety guidance for businesses, will also now follow CDC guidance and will be streamlined for businesses in general; previously, state COVID-Safe Practices had outlined industry-specific requirements.

There have been no state travel restrictions or requirements since mid-February.

Facemasks, in accordance with Centers for Disease Control and Prevention guidance, have not been required in New Mexico for individuals who have completed their vaccination series [since May 14](#).

The state will continue to follow CDC guidance with respect to face-coverings: Masks will remain required for unvaccinated individuals; regardless of state guidance, businesses, workplaces and tribes may continue to require masks for employees, customers or visitors on the premises, regardless of vaccination status, at their discretion.

Most health care facilities will continue to require masking, screening for COVID-19 symptoms, limited numbers of visitors, limited visitation times and continued COVID-19 testing for hospitalized patients and those undergoing certain procedures. State health officials said health care facilities are safe, and stressed that individual health care should not be delayed for any reason.

The majority of counties in the state had been operating at the least-restrictive Turquoise Level for months.

“I am incredibly proud of New Mexico,” said **Gov. Michelle Lujan Grisham**. “We stepped up. We looked out for one another. We sacrificed, and we saved lives. And now we’re all ready for a safe and fun summer. Lord knows New Mexicans have earned it. Please, get your shot if you haven’t already – don’t risk these dangerous new variants that present incredible risk to unvaccinated and even young people. Go to [vaccineNM.org](#) and help protect yourself and your family.”

The state will continue to promote and administer COVID-19 vaccinations all across the state.

All New Mexicans age 12+ are eligible for the COVID-19 vaccine and are strongly encouraged to schedule their vaccine appointment today at [vaccineNM.org](#) or by calling 1-855-600-3453. Parents of New Mexicans age 12-15 are encouraged to register their child for the approved Pfizer vaccine at [vaccineNM.org](#).

The state’s Vax 2 the Max Sweepstakes, including four more \$1 million drawings (for New Mexicans who have received at least one vaccine shot) and a \$5 million grand prize (for New Mexicans who have completed their vaccination series), continues; vaccinated New Mexicans who would like a chance to win must opt in to the sweepstakes at [vax2themaxNM.org](#).

The next \$1 million drawing is scheduled for Friday, July 2; vaccinated New Mexicans must opt in to the sweepstakes by 6 p.m. Thursday, July 1, to be eligible for the July 2 drawing.

The amended public health order, issued June 30 and effective July 1, is attached to this news release.

MICHELLE LUJAN GRISHAM  
Governor

DR. TRACIE C. COLLINS, M.D.  
Cabinet Secretary

**PUBLIC HEALTH ORDER  
NEW MEXICO DEPARTMENT OF HEALTH  
SECRETARY TRACIE C. COLLINS, M.D.**

**June 30, 2021**

**Public Health Emergency Order Clarifying that Current Guidance Documents, Advisories, and Emergency Public Health Orders Remain in Effect; and Amending Prior Public Health Emergency Orders to Impose County-by-County Restrictions Due to COVID-19**

**PREFACE**

The purpose of this amended Public Health Emergency Order is to amend restrictions on mass gatherings and business operations, which were implemented in response to the spread of the Novel Coronavirus Disease 2019 (“COVID-19”). While vaccines are the most effective method to prevent the spread of COVID-19, social distancing and self isolation measures continue to be necessary to protect New Mexicans who are ineligible to receive a COVID-19 vaccine or who choose not to receive a vaccine. All New Mexicans should continue to adhere to social distancing protocols when required to protect our State as a whole. In accordance with these purposes, this Order and its exceptions should be narrowly construed to encourage New Mexicans continue social distancing measures.

It is hereby **ORDERED** that:

1. All current guidance documents and advisories issued by the Department of Health remain in effect.
2. The following Public Health Emergency Orders remain in effect through the current Public Health Emergency and any subsequent renewals of that Public Health Emergency or until they are amended or rescinded:
  - A. December 15, 2020 Amended Public Health Emergency Order Implementing Additional Contact Tracing Information Requirements for All Laboratories and Submitters Submitting Notifiable Condition COVID-19 Test Results to the New Mexico Epidemiology and Response Division;
  - B. January 8, 2021 Emergency Order Implementing Administration and Reporting Requirements for All COVID-19 Vaccine Providers;
  - C. April 5, 2021 Amended Public Health Emergency Order Temporarily Limiting Long-Term Care Facilities Visitation Due to COVID-19; and

**OFFICE OF THE SECRETARY**

1190 St. Francis Dr., Suite N4100 • P.O. Box 26110 • Santa Fe, New Mexico • 87502  
(505) 827-2613 • FAX: (505) 827-2530 • [www.nmhealth.org](http://www.nmhealth.org)

- D. February 26, 2021 Public Health Emergency Order Implementing Administration Requirements for All COVID-19 Vaccine Providers and Requiring Accurate Information be Provided by Individuals Registering to Receive the COVID-19 Vaccine.

3. The June 2, 2021 Public Health Emergency Order Clarifying that Current Guidance Documents, Advisories, and Emergency Public Health Orders Remain in Effect; and Amending Prior Public Health Emergency Orders to Impose County-by-County Restrictions Due to COVID-19 is hereby amended as follows:

### **ORDER**

**WHEREAS**, on March 11, 2020, because of the spread of the novel Coronavirus Disease 2019 (“COVID-19”), Michelle Lujan Grisham, the Governor of the State of New Mexico, declared that a Public Health Emergency exists in New Mexico under the Public Health Emergency Response Act, and invoked her authority under the All Hazards Emergency Management Act;

**WHEREAS**, Governor Michelle Lujan Grisham has renewed the declaration of a Public Health Emergency through July 23, 2021;

**WHEREAS**, confirmed cases in the United States have risen to more than 33.3 million and confirmed COVID-19 infections in New Mexico have risen to over 205,000;

**WHEREAS**, COVID-19 is a deadly virus and has taken the lives of over 600,000 Americans and over 4,335 New Mexicans;

**WHEREAS**, the further spread of COVID-19 in the State of New Mexico poses a threat to the health, safety, wellbeing and property of the residents in the State due to, among other things, illness from COVID-19, illness-related absenteeism from employment (particularly among public safety and law enforcement personnel and persons engaged in activities and businesses critical to the economy and infrastructure of the State), potential displacement of persons, and closures of schools or other places of public gathering;

**WHEREAS**, vaccination, social distancing, and the consistent and proper use of face coverings in public spaces are the most effective ways New Mexicans can minimize the spread of COVID-19 and mitigate the potentially devastating impact of this pandemic in New Mexico; and

**WHEREAS**, the New Mexico Department of Health possesses legal authority pursuant to the Public Health Act, NMSA 1978, Sections 24-1-1 to -40, the Public Health Emergency Response Act, NMSA 1978, Sections 12-10A-1 to -19, the Department of Health Act, NMSA 1978, Sections 9-7-1 to -18, and inherent constitutional police powers of the New Mexico state government, to preserve and promote public health and safety, to adopt isolation and quarantine, and to close public places and forbid gatherings of people when deemed necessary by the Department for the protection of public health.

**NOW, THEREFORE, I,** Tracie C. Collins, M.D., Secretary of the New Mexico Department of Health, in accordance with the authority vested in me by the Constitution and the Laws of the State of New Mexico, and as directed by the Governor pursuant to the full scope of her emergency powers under the All Hazard Emergency Management Act, do hereby declare the current outbreak of COVID-19 a condition of public health importance, as defined in NMSA 1978, Section 24-1-2(A) as an infection, a disease, a syndrome, a symptom, an injury or other threat that is identifiable on an individual or community level and can reasonably be expected to lead to adverse health effects in the community, and that poses an imminent threat of substantial harm to the population of New Mexico.

**I HEREBY DIRECT AS FOLLOWS:**

(1) Unless a healthcare provider instructs otherwise, all individuals shall wear a mask or multilayer cloth face covering in public settings except when: eating or drinking; exercising outdoors alone or with members of the same household; attending a small, outdoor gathering of fully vaccinated individuals. Notwithstanding the foregoing, fully vaccinated individuals are not required to wear a mask unless otherwise recommended by the latest official guidance from the Centers for Disease Control and Prevention (“CDC”). Further, fully vaccinated individuals shall not be required to socially distance from other individuals unless otherwise recommended by the latest official guidance from the CDC, in which case they must follow that guidance. Businesses, establishments, houses of worship, and other non-profit entities shall also follow the latest official guidance from the CDC regarding mask-wearing and social distancing, provided that nothing in this Order shall be construed as prohibiting any entity from imposing more stringent requirements.

(2) Any business, establishment, or non-profit (other than those which are a healthcare operation, utility, or indigent care services) which members of the public regularly visit must report to the Department of Health when there is an occurrence of four (4) or more rapid responses within a fourteen (14) day period. For purposes of this directive, rapid responses will be counted on a rolling basis. Businesses, establishments, or non-profits with four or more rapid responses shall not be required to cease operations. However, the rapid responses must be reported to the Department of Health so that the public may be made aware of the positive cases.

(3) All businesses, establishments, and non-profit entities must adhere to the pertinent COVID-Safe Practices.

(4) Private educational institutions serving children and young adults from pre-Kindergarten through 12th Grade, including homeschools serving children who are not household members, shall adhere to the face covering and other COVID-Safe Practices requirements for in-person instruction contained in the New Mexico’s Public Education Department’s “Reentry Guidance” and “COVID-19 Response Toolkit for New Mexico’s Public Schools,” available at <https://webnew.ped.state.nm.us/reentry-district-and-school-guidance/>, and may operate up to maximum capacity. Private educational institutions shall follow the reporting, testing, and closure requirements set forth by the Public Education Department in the Reentry Guidance and COVID-19 Response Toolkit for New Mexico’s Public Elementary Schools.

**I FURTHER DIRECT** as follows:

(1) This Order shall be broadly disseminated in English, Spanish, and other appropriate languages to the citizens of the State of New Mexico.

(2) This Order declaring restrictions based upon the existence of a condition of public health importance shall not abrogate any disease-reporting requirements set forth in the Public Health Act.

(3) Nothing in this Order is intended to restrain or preempt local authorities from enacting more stringent restrictions than those required by the Order.

(4) The June 2, 2021 Public Health Order shall remain in effect through June 30, 2021. This Order shall take effect on July 1, 2021 and remain in effect through July 30, 2021.

(5) The New Mexico Department of Health, the New Mexico Department of Public Safety, the New Mexico Department of Homeland Security and Emergency Management, and all other State departments and agencies are authorized to take all appropriate steps to ensure compliance with this Order.

(6) Any and all State officials authorized by the Department of Health may enforce this Order by issuing a citation of violation, which may result in civil administrative penalties of up to \$5,000 for each violation under NMSA 1978, Section 12-10A-19.

ATTEST:

MAGGIE TOULOUSE OLIVER  
SECRETARY OF STATE

DONE AT THE EXECUTIVE OFFICE  
THIS 30TH DAY OF JUNE 2021

WITNESS MY HAND AND THE GREAT  
SEAL OF THE STATE OF NEW MEXICO

TRACIE C. COLLINS, M.D.  
SECRETARY OF THE STATE OF NEW MEXICO  
DEPARTMENT OF HEALTH
