

**Fire Department Cool Downs!
Midsummer Family Fun in the Parks
Saturday July 17 at SWAN Park;
Saturday July 24 at Franklin Miles**

JULY 8, 2021 – The City of Santa Fe, the Santa Fe Fire Department, and the Parks Division invite everyone to bring the kids out to the parks on Saturday mornings, play on the fields and facilities, and cool down courtesy of our friendly firefighters who will unleash a really big hose for 20 minutes of slippery fun.

The firefighters will show off their trucks and hand out helmets, coloring books, and there's a even possibility of an appearance by Sparky the Firedog! Make a day of it with a picnic lunch, and don't forget to bring towels.
