

Plaza Holiday Decorating to Begin Monday, November 1, 2021

Caution Advised in Area

October 29, 2021 – In preparation for the holidays, the Parks Division will begin to decorate the Plaza beginning Monday, November 1, 2021, through Wednesday, November 24, 2021.

Each year staff installs thousands of decorative lights, garlands, and farolitos throughout the Plaza area. This is a timely process requiring ladders and the operation of a man-lift to complete the work. Designated areas of the Plaza will be closed and barricades will be utilized for safety. Motorists, pedestrians, and Plaza vendors are urged to use caution and seek alternate routes. The process to remove decorations from the Plaza is scheduled to take place in January.

For more information, contact the Parks Division at (505) 955-2106.
