- 17 new cases in Taos County

- 6 new cases in Torrance County
- 1 new case in Union County
- 23 new cases in Valencia County
- 5 new cases among individuals held by federal agencies at the Otero County Processing Center

The Department of Health on Tuesday reported seven additional deaths in New Mexico related to COVID-19:

Six recent deaths:

- A male in his 30s from Bernalillo County. The individual was hospitalized and had underlying conditions.
- A female in her 70s from Eddy County. The individual was hospitalized.
- A female in her 50s from Lea County. The individual was hospitalized and had underlying conditions.
- A male in his 40s from Sandoval County. The individual was hospitalized and had underlying conditions.
- A male in his 80s from Sandoval County. The individual had underlying conditions and was a resident of the The Suites at Rio Vista facility in Rio Rancho.
- A male in his 60s from San Juan County. The individual was hospitalized and had underlying conditions.

One* death >30 days:

- A female in her 60s from Santa Fe County. The individual was hospitalized.

The number of deaths of New Mexico residents related to COVID-19 is now 4,830.

* COVID-related deaths are reported when a death certificate has been issued and some death certificates are delayed due to insufficient information.

The ten ZIP codes across the state with the most COVID-19 cases on Tuesday, Oct. 5 are:

- 88203 - 26
- 87121 - 25
- 87124 - 23
- 87301 - 18
- 88240 - 18
- 87031 - 17
- 87401 - 17
- 87105 - 16

- 87120 - 16
- 87112 - 15

Daily case counts and test numbers are raw data based on information the state receives today - meaning data that has not yet been scrutinized to identify potential duplicates or late-arriving positives or negatives.

Including the above newly reported cases, New Mexico has now had a total of 256,115 COVID-19 cases:

- Bernalillo County: 72,106

The New Mexico Department of Health has active investigations into the positive patients, which includes contact tracing and swabs of symptomatic individuals who have had contact with the positive cases.

Every New Mexican must work together to stem the spread of COVID-19. Wear a mask when in public and around others. **If you are sick, stay home as much as possible.**

New Mexicans who report symptoms of COVID-19 infection, such as fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell should call their health care provider or the NMDOH COVID-19 hotline immediately (1-855-600-3453).

The Department of Health strongly encourages the following groups to get tested:

- Symptomatic people displaying the COVID-19 symptoms of fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell;
- Asymptomatic people who are close contacts or household members of people in their infectious period who have already tested positive for the coronavirus;
- Asymptomatic people who live or work in congregate settings such as long-term care facilities and group homes;
- Patients who are scheduled for surgery and whose provider has advised them to get tested before the procedure.

New Mexicans who have non-health-related questions or concerns can also call 833-551-0518 or visit newmexico.gov, which is being updated regularly as a one-stop source for information for families, workers, and others affected by and seeking more information about COVID-19.
