*Traffic Report for week of **October 10th to 17th, 2021***

*Some crews will not be working on Monday, October 11, in observance of the Columbus Day Holiday, barricades will remain in place for safety. In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area. **PLEASE NOTE:** Conditions are subject to change without notice. Double fines for speeding in work zones may be in effect.*

White Sands Missile Range Notification

For information regarding closures, you may call WSMR at 678-1178 or 678-2222 for updates.

Interstates:

I-25 & University Ave, Mile Marker 1, Las Cruces 1C000250

La Calerita Construction, LLC (Contractor) will have the following closure in place. **EXCITING NEWS!** The project is expected to be substantially complete, with ALL lanes and ramps open to traffic at the end of the day on Tuesday, October 12, 2021.

The contractor will continue to complete final activities, including cleanup, throughout the project after Oct. 12. It is expected that work will continue for about the next 4 (four) weeks, through mid-November 2021. Some work will require lane, shoulder and ramp closures. Any longer-term lane or ramp closures will be scheduled and we will send out advance notice.

Regular work hours are Monday-Friday, 7 a.m.-5 p.m., although crews may work longer hours or on Saturdays as needed. Traffic control will remain in place 24/7. Questions, comments, or concerns: visit www.i25-university.com.

I-25, Mile Marker 34 to 39, Rincon EN1101021

Mountain States Constructors, Inc. (Contractor) will be continuing a roadway reconstruction project on I-25 north of Las Cruces. A detour crossover will be in place, all traffic will be shifted into the southbound lanes utilizing crossover detour and barrier wall separation. The Rincon, exit 35 northbound on and off ramps will be closed, southbound exit is open, follow detour signage. This closure is expected for the next three months. Hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday. Traffic control will remain in place 24/7.

I-25, Mile Marker 83 to 105, Truth or Consequences

The New Mexico Department of Transportation (NMDOT) District One will be continuing a crack sealing operation on I-25 from T or C north. Motorists can expect lane closures on various lanes from milepost 83 to 105, one lane of traffic will remain open. These closures will be from 7 a.m. until 6 p.m. Monday through Friday. Speed limits will be reduced. Crews will be working in five-mile increments at a time, working both north and southbound lanes before moving forward.

I-10, Mile Marker 21 to 25, Lordsburg

AUI, Inc. (Contractor) is currently working on the bridge deck on the eastbound lanes. All traffic is currently shifted to the westbound lanes. The Exit 22 *on* ramp will be closed but Exit 22 *off* ramps will remain open, local traffic only. All oversized loads will need to utilize Exit 20, eastbound port of entry is open for all CMV traffic. Detour signs will be in place to direct traffic towards alternate routes. Animas St. will be unaffected and can be utilized in place of Main St. Daily hours of operation are 7 a.m. to 5 p.m., Monday through Friday. Traffic control will remain in place 24/7.

I-10, Mile Marker 44 to 55, Lordsburg

Mountain States Construction, Inc. (Contractor) will be continuing a pavement preservation project on I-10 from milepost 45 working eastbound to milepost 55 (Quincy). Traffic can expect various daytime lane closures in the

driving right lanes as well as overnight lane closures as needed. Contractor's hours of operation will be from 6:00 a.m. to 6:00 p.m., Monday through Friday. Construction is expected to be completed fall of 2021.

I-10, Mile Marker 102, Deming

The New Mexico Department of Transportation (NMDOT) will be performing Bridge Deck repairs at milepost 102 (near Akela) on eastbound I-10. Speed limits will be reduced. Traffic will encounter a lane drop as needed on the driving right lane. Hours of operation will be from 8:00 am until 5:00 pm, Monday through Friday.

US Roadways:

US 180, Mile Marker 114 to 115, Silver City CN1101450

James Hamilton Construction Company (Contractor) will be continuing roadwork on US 180. Traffic can expect a lane closure on the eastbound and westbound lanes as well as shoulder work throughout the intersection on US 180 and 32nd Street to Ranch Club Rd. Paving is currently in process with multiple lane closures and detours. Contractor hours of operation will be Monday through Friday from 7:00 a.m. till 5:00 p.m. This project is estimated to be completed by end of fall 2021.

US 70, Mile Marker 166-168, Las Cruces/San Augustine Pass

The New Mexico Department of Transportation (NMDOT) will be performing roadway repairs due to recent flooding on US 70 from milepost 166 to 168. Lane closures will be in place in both the eastbound and westbound lanes as needed, speed limits will be reduced to 45 mph. Closures will be in place Monday through Thursday from 8:00 until 4:30 pm.

State Roadways:

NM 273 Mile Marker 2, Sunland Park

The New Mexico Department of Transportation (NMDOT) will be performing roadway repairs on NM 273 "McNutt Road" at milepost 2. The driving right lane is expected to be closed through October 30th. Motorists are asked to reduce speed, obey posted signs, and be cautious of personnel and equipment in the area.

NM 152 Bridge Replacement, Hillsboro

The Federal Highway Administration - Central Federal Lands Highway Division (FHWA-CFLHD) has completed the replacement of the original truss bridges on NM 152. The contractor will be utilizing a flagging operation along with various lane closures to finalize this project. Contractor's hours are Monday through Friday from 7:00 a.m. until 5:00 p.m.

NM 404 and I-10 Bridge Replacement, Anthony E100202

AUI, Inc. (Contractor) is continuing with roadwork and replacement of the NM 404 Bridge over I-10 at milepost 162, Anthony exit. Construction closures along with a flagging operation will be in place at the NM 404 intersections with I-10. Daily contractor hours of operation are from 7 a.m. to 5 p.m., Monday through Friday. Traffic control will remain in place 24/7.

NM 187 "El Camino Real", Mile Marker 16.93 to 31.1, Arrey-Caballo CN1101370

FNF Construction, Inc. (Contractor) is continuing with replacement of Bridges located in Arrey and Caballo. A shoo-fly diversion is in place at King Canyon (MP 20) and at Seco Creek (MP 26.6). NM 187 is completely open to traffic. Contractor's hours of operation will be from 7:00 am to 5:00 pm Monday to Friday.

Chip Seal Projects, Grant Co:

The New Mexico Department of Transportation (NMDOT) will be performing "Chip Sealing and Brooming" operations in Grant Co. Speed limits will be reduced, no center stripe with loose gravel on roadway. Traffic will encounter lane drops with pilot car and flagging operations. Roadways affected will be:

NM 15 from mile marker 43 to 0, Gila Hot Springs to Pinos Altos
