

Real Issues. Real People. Real New Mexico.

In [this week's episode](#) of Inside New Mexico, Steve talks about:

- The big Republican wins on November 2.
- How Democrats' policies were rejected by voters.
- Why 2022 will be the year for Republicans.
- How GOP candidates are owning Democratic issues.
- The Virginia governor's race.
- The "truth" in politics.
- How President Biden's policies are hurting Americans.
- How Biden has lost credibility across the nation.
- The nation's high gasoline prices and how Republicans would lower the cost of gasoline.
- Biden's position on Iran and nuclear weapons.
- Biden's business vaccine mandates and the RNC's lawsuit against that policy.
- The federal government's idea to pay migrants \$450,000.
- Gov. Lujan Grisham's illegal COVID mandates.
- The Democrats' firearms ban at the Roundhouse.
