

## REPUBLICAN PARTY OF NEW MEXICO CHAIRMAN STATEMENT ON TODAY'S HISTORIC U.S. SUPREME COURT HEARING ON ABORTION BAN LAW

**Albuquerque, December 1**—The following is a statement from Republican Party of New Mexico Chairman Steve Pearce on today's arguments before the U.S. Supreme Court on a Mississippi law banning abortion after 15 weeks:

“Today’s hearing is significant for New Mexico and the entire nation. This case on the abortion issue is critical and hopefully will put us on the road to eliminate Roe v Wade. This is a time in history when conservatives can seize the moment to stop these immoral procedures. With a conservative majority on the High Court, thanks to President Trump, I am optimistic that the Justices will recognize their duty to protect the lives of the unborn and to abolish the horrors of abortion. Justices now have a real opportunity to challenge court precedent and to legally establish the right to life in the womb. Abortion is wrong on moral grounds, and no one, no entity--especially governments--should be allowed to determine whether to end a pregnancy. The nation needs to reconsider when life begins. I and everyone who stand for life look forward to a decision that will overturn Roe v Wade.”
