

## Join us for the 2022 Spaceport America Open House

Join the Las Cruces Space Festival and a variety of aerospace agencies, museums, STEAM-related organizations, and more at the 2022 Spaceport America Open House on Sunday, April 10.

Participating agencies include Virgin Galactic, SpinLaunch, NMSU's Physical Science Lab, System's Go, the New Mexico Space History Museum, and more!

The event will take place from 10am-2pm and is free to attend. There will be food vendors on site. Due to limited parking, attendees are encouraged to carpool

(vehicles will need at least two people and no more than eight people per) and anyone 18 and over is required to have photo ID. Please register in advance at <https://www.eventbrite.com/e/spaceport-america-open-house-tickets-261240014917>.

We also have limited space for fly-ins. Please register your vehicle here <https://www.eventbrite.com/e/spaceport-america-open-house-fly-in-tickets-288867108297>.
