Justin Reese, Acting Cabinet Secretary

FOR IMMEDIATE RELEASE

May 20, 2022

Electric Vehicle Infrastructure Public Meeting

DEMING – The New Mexico Department of Transportation (NMDOT) along with the assistance of the National Electric Vehicle Infrastructure (NEVI) Formula Program invite you to attend an electric vehicle infrastructure public meeting.

This meeting will collect feedback on electric vehicle (EV) infrastructure needs and potential locations. Attendees will have a chance to better understand the NEVI program and its impact, ask questions, and provide feedback for the NMDOT on EV infrastructure needs and locations.

New Mexico expects to receive approximately \$38 million from this program over five years from the US Department of Transportation (DOT). These funds will be used to install EV charging infrastructure with a priority on interstate highway locations. NMDOT must develop a Statewide Electric Vehicle Infrastructure Plan to be eligible for this unprecedented investment. Help NMDOT create a robust plan that meets the needs of all New Mexicans!

**Attend the virtual public meeting for Deming and surrounding areas on
Tuesday, May 24, 2022, at 5:30 pm**
