

The Constituent Services Representatives in the offices of Senator Martin Heinrich have helped hundreds of veterans all across our state access their care and benefits. We can assist you or a family member if you are having trouble filing a claim, receiving benefits, accessing health benefits or military records, replacing medals, or other veterans issues.

As part of this important work, Senator Martin Heinrich is proud to partner with U.S. Representative Melanie Stansbury to host a Veteran's Resource Fair in Edgewood on Wednesday, June 22 from 4 p.m. to 6 p.m. Staff from both the Senator's and the Representative's offices as well as representatives from federal and state agencies will be on hand to provide information and offer assistance.
