Traffic Report for week of August 28 to September 4, 2022

In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area. [PLEASE NOTE](#): Conditions are subject to change without notice. Double fines for speeding in work zones may be in effect.

White Sands Missile Range Notification

For information regarding closures, you may call WSMR at 678-1178 or 678-2222 for updates.

Interstates:

I-10, Mile Marker 75 to 84, Deming

Mountain States Construction, Inc. (Contractor) will be continuing a roadway rehabilitation project on Interstate 10 from milepost 75 (6 miles west of Deming) to milepost 84 (Deming). Drivers can expect various daytime lane closures on both the eastbound and westbound lanes as needed. Contractor's hours of operation will be from 6 a.m. to 6 p.m., Monday through Friday. This rehabilitation is expected to take 120 working days to complete, weather pending.

I-25, Mile Marker 85 to 103, north of T or C

J-H Supply, Inc. (Contractor) will continue replacing the guardrail and end treatments along I-25 in Sierra County. Traffic can expect lane closures in the northbound and southbound driving right lane and shoulder as the contractor is performing these safety improvements. Overnight and weekend lane closures will be in place as needed. Hours of operation will be from 7:00 am to 5:00 pm, Monday through Friday. Construction is expected to be completed by fall 2022.

I-25, Mile Marker 14 to 24, North of Las Cruces [CN1101610](#)

Mesa Verde Enterprises, Inc. (Contractor) will be continuing a roadway reconstruction project on Interstate 25 from milepost 14 to 24, just north of Las Cruces. Crews will be working in the northbound and southbound lanes; one lane will remain open at all times. Contractor's hours of operation will be from 6 a.m. to 6 p.m., Monday through Saturday.

I-25, Mile Marker 117 & 121, North of Truth or Consequences [CN1101580](#)

Hasse Contracting Co. will be making repairs to the bridges on I-25 at milepost 117 and milepost 121. Traffic can expect lane closures on I-25 on the southbound lanes until the bridge deck repairs are complete, one lane will remain open. Contractor working hours are Monday through Friday from 7 a.m. to 5 p.m., traffic control will remain in place 24/7. Use caution for workers and equipment in the area. Repairs are expected to be completed by fall 2022.

US Roadways:

US 180, Mile Marker 92, north of Silver City

The New Mexico Department of Transportation staff has reopened US 180 from milepost 100 to 92. Speed limits will be reduced, no center stripe with loose gravel on roadway. The NMDOT will continue to monitor over the weekend and have extra base course on site if there is needed repairs until paving is complete. Paving is scheduled for Monday of next week. The NMDOT thanks everyone for their patience and the collaboration of multiple agencies during this closure.

US 180, Mile Marker 60 to 56, south of Glenwood

A Mountain Construction Company (Contractor) will be making pavement repairs on US 180 from milepost 60.5 to 56. Motorists can expect lane closures with a flagging operation. Traffic is encouraged to reduce speeds and use caution. Construction hours will be from 7 a.m. to 6 p.m. daily, due to weather this project has been extended.

US 180, Mile Marker 67 to 47, Glenwood

Braiser Asphalt (Contractor) will be paving on US 180 from milepost 47 to 67. Motorists can expect lane closures with a flagging operation. Traffic is encouraged to reduce speeds and use caution. Construction hours will be from 7 a.m. to 6 p.m. daily, due to weather this project has been extended.

US 70 milepost 367 to 385, Arizona to the New Mexico Stateline

Cactus Asphalt (Contractor) will begin crack sealing US 70 in Arizona, traffic control may start or end in New Mexico as the contractor crosses the Stateline. Traffic is encouraged to reduce speeds and use caution. Construction hours are Monday through Friday from 7 a.m. to 5 p.m. Due to weather this project has been extended to September 23, 2022.

State Roadways:

Sunland Park Dr. & NM 273, Sunland Park

Cutler Repaving (Contractor) will be making pavement repairs on Sunland Park Dr. from milepost 0 to the Texas Stateline. Motorists can expect lane closures with a flagging operation on Sunland Park Dr. and lane closures at the intersection of NM 273. Traffic is encouraged to reduce speeds and use caution. Construction hours will be from 7 a.m. to 6 p.m.

NM 273 Mile Marker 2, Sunland Park

The New Mexico Department of Transportation (NMDOT) has a lane closure in place for the City of Sunland Park due to required roadway repairs on NM 273 “McNutt Road” at milepost 2. The driving right lane is expected to be closed through September 2022. Motorists are asked to reduce speed, obey posted signs, and be cautious of personnel and equipment in the area.

NM 478 Mile Marker 14, Mesquite
