FOR IMMEDIATE RELEASE

Dec. 1, 2022

In-Person Car Seat Inspection and Toy Drive *Deming, NM*

DEMING – The New Mexico Department of Transportation Traffic Safety Division (NMDOT TSD) and Safer New Mexico Now will host an in-person event.

Car Seat Fitting Station
from 10 a.m. to 12 p.m. on Saturday, December 10, 2022, at the Sisbarro of Deming,
4211 New Mexico Hwy 549.

This free educational event provides parents and caregivers instruction on the proper selection, installation, and use of their car seats from nationally certified child passenger safety technicians.

Technicians will spend approximately 30 minutes per seat educating parents on the proper selection, installation, and use of their car and booster seats. Parents and caregivers will also learn important information regarding common errors in car seat safety and be able to ask questions. If a technician determines a car seat to be recalled, expired, or otherwise unsafe, replacement seats will be available.

To participate in the Car Seat Fitting Station, parents and caregivers should bring their car seat, car seat manual, vehicle manual, and the child using the seat should be present if possible. Car seat inspections are by appointment or by walk-in.

Car Seat Fitting Stations are a free public service funded by the NMDOT TSD and are available to everyone. The child must be present to be considered for a seat replacement. For more information or to make an appointment, please call (800) 231-6145 or (505) 856-6143 or visit www.safernm.org
