

Bike Month 2023: Something For Everyone!

With spring upon us, being outside on a bike sounds just right! **Santa Fe Bike Month includes something for everyone:** social rides around town, group bike rides to school, organized trail rides for the dirt fanatics, a bike swap for buyers and sellers, educational opportunities, races, and more.

Numerous businesses are providing a discount or freebie to patrons who arrive by bicycle! Show your helmet to receive free garlic knots with a large pizza at Back Road Pizza, happy hour prices all day at Second Street Brewery, 10% off at Dolina and Cafecito, and more. You can even save on groceries when you shop by bike!

Don't have a bike? Adults over 18 can borrow one for free during open hours at the Fort Marcy Recreation Complex and the Genoveva Chavez Community Center. The City of Santa Fe Recreation Division also offers instructor-led bike rides from the Fort Marcy Recreation Complex Mondays, Wednesdays, and Fridays from 10 to 11 a.m.

Other May events and offerings include:
