State Roadways:

NM 152, Mile Marker 15 to 40, Kingston

The New Mexico Department of Transportation (NMDOT) closed NM 152 "Geronimo Trail Scenic Byway" due to a potential roadway failure. Large cracks in the asphalt were found that could lead to further roadway deterioration. Our Heavy Maintenance crew is now on site and has been backfilling the area. Paving is scheduled for the week of May 22, 2023. NM 152 is estimated to be reopened by May 26, 2023.

NM 404 Roadway Widening, Anthony to Chaparral

Mountain States Constructors, Inc. (Contractor), will be continuing the roadway reconstruction and lighting project on NM 404 from milepost 0.9 (Anthony) to milepost 8.8 (Chaparral). Currently, the contractor is installing drainage structures, subgrade preparations and paving along the project. Subcontractors are working on concrete box culverts, median curb and gutter and lighting boxes near the DACC campus and installing game fence. The speed limit has been reduced to 45 MPH for the safety of the traveling public. The contractor's hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday, some Saturdays as needed.

Chip Seal Projects, Hidalgo & Grant Co:

The New Mexico Department of Transportation (NMDOT) will be starting the 2023 season "Chip Sealing and Brooming" operations in Hidalgo Co. Speed limits will be reduced, no center stripe with loose gravel on roadway. Roadways listed below are scheduled for chip sealing & fog sealing operations.

NM 92, Virden, mile marker 0 – 11.2
