Traffic Report for week of June 11 to 18, 2023.

*In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area. **PLEASE NOTE:** Conditions are subject to change without notice. Double fines for speeding in work zones may be in effect.*

White Sands Missile Range Notification

For information regarding closures, you may call WSMR at 678-1178 or 678-2222 for updates.

Interstates:

Date St. Business Loop Roundabout Project, T or C [CN1101231/32](#)

La Calerita Construction LLC. (Contractor) construction, Phase 3 is expected to last about 4 (four) months, through September 2023, the following traffic impacts will be in place:

Traffic on North Date Street will be reduced to one lane in each direction (northbound and southbound) and will be shifted to the east (Northbound) lanes from north of New School Road to Ash Street. Motorists are encouraged to use extra caution in the construction zone, obey lower posted speed limits and allow extra time to reach their destinations. Regular work hours will be 7 a.m. to 5 p.m. Monday-Friday although the contractor may work longer hours or on weekends as needed.

I-25 Bridge Replacement Project, Williamsburg [CN1100990](#)

El Terrero Construction, LLC. (Contractor) will be continuing construction to replace the bridge at I-25 milepost 75, Broadway Street and NM 187 in Williamsburg. All traffic has been shifted into the southbound lanes; northbound lanes are closed throughout the project limits. The I-25 northbound on-ramp is closed and the southbound I-25 off/on-ramp at Exit 75 is closed, traffic should utilize NM 187 to Las Palomas Exit or the T or C North exit. Currently crews are working on installation of bridge piers and drainage structures. Regular work hours will be 7 a.m.-5:30 p.m. Monday-Friday although the contractor may work longer hours or on weekends as needed. Access will be maintained to all businesses and residences during construction.

I-25 Guardrail Replacement Project, milepost 102 to 175, Socorro

J-H Supply, Co. (Contractor) will be continuing a guardrail and end treatment project along I-25 in Socorro County from milepost 102 to 175. Motorists can expect lane closures in the northbound lane from milepost 120 to 124 with a driving right lane closure. Southbound lanes are open. Overnight lane closures should be expected. The hours of operation are from 7 a.m. to 5 p.m., Monday through Friday. Construction is expected to be completed by Spring 2024.

I-10, Mile Marker 55 to 65, Deming [CN1101880](#)

Mountain States Construction, Inc. (Contractor) has completed the roadway rehabilitation project on Interstate 10 from milepost 55 (Quincy) to milepost 65 (16 miles west of Deming). Currently, the subcontractor is installing concrete wall barrier and guardrail throughout the project. Traffic should expect a lane closure in both the eastbound and westbound lanes as needed. The hours of operation will be from 6 a.m. to 6 p.m., Monday through Friday.

I-25, Mile Marker 117 & 121, North of Truth or Consequences [CN1101580](#)

NM 80, I-10 south to Rodeo, mile marker 32.3 – 24.8 & 24.8 to 0

US 180, Mile Marker 115 to 128, Silver City

Crews have completed Fog Sealing US 180 from milepost 115 (32nd Street) to 128 (east of Hurley) in Silver City. Striping is scheduled to take place in the upcoming months. Signage will stay in place for safety.

City of Las Cruces Projects:

Sonoma Ranch Boulevard

As part of the Sonoma Ranch Blvd. Mile 1 project, the roundabout at the intersection of Sonoma Ranch Boulevard and Engler Road will be open to traffic starting Monday, June 5, 2023. Also, motorists are advised that Sonoma Ranch Boulevard, between Arroyo Road and Peachtree Hills Road, will be closed for approximately 1½ months to southbound traffic only starting Monday, June 5, 2023. A detour will be in place to direct traffic around the work

zone. Commuters are urged to follow all posted signs. The entire project is estimated to be completed by August 25, 2023.

Madrid Avenue

As part of the Bike-Pedestrian Infrastructure Improvements Project, roadway and utility improvements will be done by Highland Enterprises on Madrid Avenue, between Solano Drive and Evelyn Street. Alternating lane shifts will be in place. Work is estimated to last through approximately August 31, 2023.

University Avenue

As part of the University Avenue Waterline and Mill & Overlay project, work is scheduled for roadway and waterline improvements by A-Mountain Construction, LLC on University Avenue between Turrentine Drive and Triviz Drive. Intermittent lane closures will be in place. Two-way traffic and access to residents and businesses will be maintained throughout the project. Work is estimated to last through approximately September 15, 2023. Commuters are urged to follow all posted signs.
