

OED Sponsoring Comedy Festival Workshop

Comedian Vik Pandya leads two workshops sponsored by Santa Fe City and County Economic Development departments with a focus on better business through a dose of humor.

The workshops are part of the CloudTop Comedy Festival, which also received funding from TOURISM Santa Fe via the City of Santa Fe's Occupancy Tax Advisory Board (OTAB). Chuckle along with more than 50 comedians from across the country, plus New Mexico's funniest folk, share their quirky insights, May 9-12.

The first workshop will be Friday, May 10, *Adding Humor to Presentations* at 5:30 pm at Market Station.

Selling yourself and Your Business with Humor will be presented on Saturday, May 11, at 2 pm.

Both events are free.

Registration is available [here](#). The workshops are free and open to the public, but space is limited. Registration will be confirmed by email.
